Dear Pastor & Congregation,

I have been moved to tears
this evening by the generosity of
a member of your Church.

I am a man of 44 years
and can count on one hand the
number of times I have cried
as an adult.

^{running} I have been without electric
and [↓] water for days now due to the
hurricane. Today I happened upon 2
Red Cross workers who passed on
your gift. A bucket filled with
numerous cleaning supplies and gallons
of fresh water!

A lot of time our charity goes unnoticed and some folks take it for granted. I do not! And while I continue to work two jobs to earn my living I will stop and find more time to pray.

Thank You

And May God bless,

Michael Knely
Shady Side (MI)

P.S. - The bucket had number 47 on it and if that is a way to identify who donated please pass this letter of gratitude on to them
