

CHRISTMAS TREE SALES

The sales of Christmas Trees each year at Living Savior Lutheran Church supports our Social Ministry programs—all profits are used to provide funds to various needs in the community—such as NOVACO (domestic violence program) and other youth and adult servant events. Thrivent Financial provides matching funds for this effort.

Add to that, our trees are beautiful, fresh, last well through the Christmas season and are reasonably priced. So please support this effort purchasing your tree from us and by advertising the tree sale to friends and neighbors.

Living Savior Lutheran Church is located at 5500 Ox Road in Fairfax Station, VA —stop by and take a look after Nov. 29th.
